

Product: AvGas 100LL

Specification: ASTM D910

Document type: Specimen CoA template (Fuel Shop)

Lot / batch ID: [TO BE ISSUED PER DELIVERY]

IMPORTANT

SPECIMEN / TEMPLATE DOCUMENT — Not a batch-specific Certificate of Analysis or Safety Data Sheet. Replace with the lot CoA/SDS for the delivered product. No analytical values herein represent a real production lot.

Typical fields on the final lot CoA (values omitted intentionally):

- Appearance / colour
- Density / API gravity
- Flash point
- Freeze point / pour point (as applicable)
- Water content / particulates
- Contaminants / additives (as applicable to grade)
